BLANKET PURCHASE AGREEMENT:

BPA NUMBER: HSSCCG-09-A-00007

Pursuant to GSA Federal Supply Schedule Contract Number(s) GS-10F-0226J and Federal Acquisition Regulation (FAR) 8-405-3, Blanket Purchase Agreements (BPAs), the Contractor agrees to the following terms of a BPA exclusively with the DEPARTMENT OF HOMELAND SECURITY, U.S. CITIZENSHIP AND IMMIGRATION SERVICES:

In the spirit of the Federal Acquisition Streamlining Act, the Department of Homeland Security and Lionbridge Global Solutions II, Inc.

enter into a BPA to support DHS USCIS. The intent is to further reduce the administrative costs of acquiring commercial items and services from the GSA Supply Schedule (FSS) Contracts. FSS Contract BPAs eliminate contracting and open market costs such as: the search for sources, the development of technical documents and solicitations, and the evaluations of bids and Offerors. Teaming arrangements are permitted with FSS Contractors in accordance with the Federal Acquisition Regulation (FAR) – FAR Part 9.6, Contractor Team Arrangements.

This BPA will further decrease costs, reduce paperwork, and save time by eliminating the need for repetitive, individual purchases from the Schedule contract. The result is to create a purchasing mechanism for the Government that works better and costs less.

SECTION 2

BPA Terms & Conditions

2.0 DEPARTMENT OF HOMELAND SECURITY (DHS) UNITED STATES CITIZENSHIP AND IMMIGRATION SERVICES (USCIS) INTERPRETER SERVICES BLANKET PURCHASE AGREEMENT (BPA)

2.0.1 Introduction

The U.S. Citizenship and Immigration Service's Office of Refugee, Asylum and International Operations, Asylum Division (HQASM) is responsible for the overall planning, development, coordination, and evaluation of the USCIS Asylum Program. The Asylum Officer Corps comprises approximately 275 interviewing asylum officers, located in eight offices [Arlington, VA; Chicago, IL; Houston, TX; Los Angeles (Anaheim), CA; Miami, FL; Newark (Lyndhurst), NJ; New York (Rosedale), NY; and San Francisco, CA].

Currently, asylum officers interview aliens seeking asylum or protection from removal to their countries by conducting primarily four types of interviews: affirmative asylum, credible fear, reasonable fear, and safe third country screening. Asylum officers also conduct interviews of asylees after initiating a process to terminate asylum status. It is projected that asylum officers will also conduct interviews of accompanying beneficiaries of Refugee/Asylee Relative Petitions (Form I-730), and will be required to provide suitable, certified interpreters for that purpose. Asylum officers interview affirmative asylum applicants at local asylum offices and at other USCIS offices throughout the United States, and then adjudicate and evaluate the applicants' claims in accordance with Section 208 of the Immigration and Nationality Act (INA). Asylum officers also conduct credible fear interviews of individuals who express a fear of return to their country or a desire for asylum as part of the Asylum Pre-Screening program, at detention and DHS district facilities or at local asylum offices pursuant to Section 235 of the INA, which provides for expedited removal of certain inadmissible arriving aliens. Additionally, asylum officers conduct reasonable fear screening interviews of individuals who express a fear of return to their country and who are subject to reinstatement of a prior removal order or to a current administrative removal order as an aggravated felon, pursuant to Article 3 of the *Convention against Torture* and Section 241(b)(3) of the INA. Finally, asylum officers conduct safe third country screening interviews to determine whether an individual seeking asylum is required to seek asylum in Canada or whether the individual may seek protection in the U.S. Credible fear, reasonable fear, and safe third country screening interview procedures, including the use of interpreter services, are mandated by federal regulations. Currently, regulations require affirmative asylum seekers to provide their own competent interpreters, at no expense to the Government. However, HQASM will provide interpreter services concurrently, either as monitors or interpreters, until revised regulations are published and implemented. Additionally, it is anticipated that asylum officers will use Government-provided interpreter services to conduct interviews of accompanying beneficiaries of Refugee/Asylee Petitions (Form I-730) and will be required to provide suitable, certified interpreters for that purpose. It is anticipated that interpretation for all these types of interviews will be provided telephonically.

It is USCIS' intent to support this requirement for interpreter services by awarding two BPAs to selected firms on the General Administration (GSA) Schedule, Group 738 II, Special Item Number (SIN) 382-2,

HSSCCG-09-A-00007

Interpretation Services. Any work performed under these BPAs will be initiated on a fixed price per minute basis.

HSSCCG-09-A-00007

1. TITLE OF PROJECT

Department of Homeland Security (DHS), United States Citizenship and Immigration Services (USCIS) Refugee, Asylum, and International Operations Directorate, Asylum Division (HQASM), Interpreter Services BPA.

2. PERIOD OF PERFORMANCE

The life of this BPA shall extend for five years. The base year shall be one year from the Contracting Officer's (CO) issuance of the Notice to Proceed.

3. PROJECT BACKGROUND

The background for this project is provided in the introduction to the BPA Terms and Conditions, Section 2.0.1.

4. SCOPE

This acquisition is needed to comply with current regulations requiring the Asylum Program to provide interpretation services to individuals in the credible fear, reasonable fear and safe third country screening processes. Regulations mandate that the Government provide interpreters at government expense to individuals undergoing each of these processes when they receive an orientation, when they are interviewed to determine eligibility for benefits, and at the time that the Government issues them their decisions. Currently, applicants are required to provide their own interpreters during affirmative asylum interviews. In these cases, the Government provides interpreters to monitor the interviews for accuracy. Furthermore, a proposed regulation change would require the Government to provide interpreters during all affirmative asylum interviews as well. Interpreter services via telephone are sufficient to meet these regulatory requirements. Such services will be required from asylum offices, detention centers and circuit ride locations throughout the U.S. Approximately 39,000 interviews requiring interpreter services are estimated to be conducted in the base year of this BPA.

5. OBJECTIVE

The objective is to establish BPAs for interpretation services to support HQASM's mission of enabling trained asylum officers to conduct interviews as described in Section 7 of this PWS in an applicant's, petitioner's, or beneficiary's language through the use of telephonic and in-person interpreter services, hence promoting greater reliability in understanding and evaluating the applicant's, petitioner's, or beneficiary's claim. In this PWS, the term "interpreter services" refers to verbal and sign language interpretation. Additionally, in this PWS, the term "applicant" refers to individuals being interviewed by an asylum officer, whether they are applicants, petitioners, or beneficiaries of petitions.

HSSCCG-09-A-00007

6. CONTRACTOR TASKS

6.1 Language Coverage

Interpreters must speak and read the requested languages and/or dialect fluently as well as speak and read the English language fluently.

Attachment A provides a list of required languages based on historical usage. Vendors are required to be capable of providing interpreter services for all languages listed in Attachment A. All languages listed in Attachment A must also be listed in the Vendor's GSA 738-II, category 382-2 schedule.

Vendors are encouraged to offer interpreter services for languages in addition to those listed in Attachment A. The range of languages offered by the Vendor will be considered and rated as part of the Technical Evaluation. All languages offered must be listed on the Vendor's GSA schedule.

6.2 Telephonic Interpretation or Monitoring

- The Contractor's interpreters shall provide monitoring or direct interpretation via telephone in the applicant's language. The Contractor must provide interpreters capable of accurately interpreting the intended meaning of statements made by the asylum officer, applicant, representative and witnesses during the types of interviews described in Section 7 of this PWS.

6.3 Telephonic Connectivity

The Contractor shall ensure telephone connectivity between multiple parties for interviews requiring interpretation. The Contractor shall provide a telephonic interpreter in the language requested by the asylum officer. The Contractor shall provide a toll-free telephone number that officers use to request interpretation services. At the request of the asylum officer, the Contractor shall also connect third parties, usually the applicant's representative or consultant, to the interview telephonically. When requested by an asylum officer, the Contractor shall locate, assign, and connect an interpreter to the asylum officer. Each interpreter shall be identified by a code that the Contractor has assigned to maintain confidentiality. In addition, a simple code shall be used to identify the particular asylum office and asylum officer. The Contractor shall confirm start and end times with the asylum officer and shall note the type of interview being conducted. After the asylum officer confirms that the applicant and the interpreter are able to understand each other, interpretation shall commence through a speakerphone. The Contractor must have a back-up plan in place to address any malfunction of its technical systems used to support telephonic interpretation.

HSSCCG-09-A-00007

6.3.1 Timeliness

The Contractor shall provide an interpreter for the language required to perform interpretation and/or monitoring as soon as possible and within ten (10) minutes of a request by the asylum officer in ninety-five percent (95%) of requests. The interpreters shall be available for interpreting and/or monitoring during the entire duration of the interview. The connection rate will be monitored on a monthly basis, taking an average of each week's accommodation rate. The Contractor shall provide adequate personnel to accommodate the interpretation needs of the asylum offices and/or officers which it has been assigned in a timely manner. HQASM shall make a good faith effort to communicate information regarding upcoming scheduled interviews and the languages which will be required for those interviews.

6.3.2 Equipment

The Contractor shall have available existing technological equipment capable of accommodating each of the asylum office's telephonic interpreter requirements in a timely fashion. In addition, it is recommended that the Contractor also provide headsets to its most commonly-used interpreters in order to improve the clarity of interpretation. The Contractor will also be required to have sufficient information technology resources to manage interpreter services using Government-provided scheduling information, which will be sent in the form of batch files, and to provide the Government with reports regarding scheduling and performance in Excel format. As noted in Section 6.3 above, the Contractor must have a back-up plan in place to address any malfunction of its technical systems used to support telephonic interpretation.

6.3.3 Charges for Calls Made

1. HQASM shall not be charged unless a call is placed with the Contractor that results in the actual use of interpretation or monitoring services.
2. HQASM may require the Contractor to set up conference calls in the event that multiple parties must be present telephonically during the interpretation. The costs incurred by the Contractor to provide conference call capability with multiple parties are to be factored into the contractor's quoted per minute rate for interpreter services.
3. HQASM shall not be charged for calls in which an interpreter is recused for bias, as described in Section 6.4.1.
4. HQASM shall not pay for calls using a Contractor's Employee who has been found to have violated the confidentiality of an applicant's information, as described in Section 6.4.1.
5. HQASM shall not be charged for calls that are abandoned by the interpreter prior to completion of the interview.
6. In cases where telephonic connectivity is lost between the interpreter and the interviewer, the interpreter is obligated to reestablish the connection in order for the call to be charged to HQASM.
7. HQASM shall not be charged for calls in which the Contractor's Employee was found not to be fluent in either of English or the requested language.
8. HQASM shall not be charged for calls using a Contractor's Employee who has not received a favorable Entry on Duty (EOD) decision from DHS.

HSSCCG-09-A-00007
6.4 Confidentiality

The Contractor shall maintain the confidentiality of the applicant's information. This information includes the applicant's name, biographical information and the facts regarding the applicant's claim for protection. The interpreter must destroy any written notes containing this information at the end of each interview. Confidentiality requirements also prohibit the presence of any third person within hearing distance of an interpreter while the interpreter is interpreting statements made at any interviews set forth in this PWS.

Additionally, data and reports generated under this BPA may be released only to parties designated in writing by the Contracting Officer. The Contractor must notify the Contracting Officer and the COTR immediately of any known violation of the confidentiality requirements.

6.4.1 Confidentiality and Neutrality Statements

The Contractor shall provide to HQASM a signed, notarized confidentiality and neutrality statement for each individual interpreter, whether an employee or Sub-Contractor, before the interpreter performs any services under this BPA. The required confidentiality and neutrality statement form is designated as Attachment B.

HQASM may, at its reasonable discretion and at no additional cost to the Government, reject a particular interpreter if an asylum officer has, at any time, a reasonable belief that the interpreter has violated the terms and conditions of the confidentiality and neutrality statement. If prior to or during the interview, an interpreter acknowledges that he or she may have a bias for or against a particular applicant that affects his or her ability to interpret in a neutral manner, or if the asylum officer has a reasonable belief that such a bias exists, the interpreter shall recuse himself or herself from performing interpreter services in that particular case, and the Contractor shall promptly provide a substitute interpreter. The Government shall not pay for calls resulting in such recusals. The Contractor also must notify HQASM of any interpreter's violation of the confidentiality of the applicant's information. HQASM shall not pay for calls using a Contractor's employee who has been found to have violated the confidentiality of an applicant's information. HQASM may request, at its sole discretion, that a particular interpreter not be assigned to interpret for any asylum officer, based on HQASM's awareness of bias.

6.5 Interpreter Requirements and Qualifications

6.5.1 Interpreter Testing and Certification

The Contractor must test and certify the proficiency of each interpreter as part of the quality control plan specified in Section 6.6.

6.5.2 Restrictions

The Contractor shall be required to provide interpreters who are at least 18 years of age and are not: (1) the applicant's attorney or representative of record, (2) a witness testifying on the applicant's behalf, (3) a representative or employee of the applicant's country of nationality or, if stateless, the applicant's country of last habitual residence, or (4) a person who prepares an Application for Asylum and for Withholding of Removal (Form I-589) or Refugee/Asylee Petition (Form I-730) for a fee, or who works for such a preparer.

HSSCCG-09-A-00007

6.6 Quality Control

The Contractor must develop and maintain a quality control plan (QCP) that will outline what systems and activities the Contractor will implement to ensure that all services are provided in accordance with this PWS and the BPA. The QCP will fulfill the following requirements:

- Establish an internal quality control, inspection and feedback system for all services required by the contract.
- Provide the means to identify deficiencies in services
- Provide procedures to correct deficiencies and prevent recurrence.

The QCP will include, but not be limited to, the following elements:

- Methods to test, train, evaluate, and certify interpreters. The Contractor will certify the proficiency of each interpreter in English and the required language. The Contractor will also train interpreters in the procedures and vernacular specific to applicant interviews.
- Methods to track timeliness and performance with respect to established standards for responsiveness and quality of service.
- Methods to measure the effectiveness of the Contractor's quality control actions.
- The QCP will also identify the individuals within the Contractor's organization with oversight authority over quality initiatives.

A draft version of the Quality Control Plan must be submitted with the Contractor's proposal. The Contractor will provide a final version of the Plan within 30 days after award, and will continue to update and revise the Plan as needed throughout the life of the BPA.

The Contractor will submit a quarterly report that details actions taken, status and progress in implementing the QCP.

When notified of deficiencies by the Government, the Contractor immediately must initiate follow-up procedures or other solutions to bring performance to required levels.

The Government may reject a particular interpreter because of lack of demonstrated fluency, bias, or other deficiency. In such cases, the Contractor must remove the interpreter from further service until corrective action is taken to resolve the deficiency and notification detailing the remedy is sent to the COTR.

7. TYPES OF INTERVIEWS

7.1 Affirmative Asylum Interviews

An individual who has submitted an Application for Asylum and for Withholding of Removal (Form I-589) before USCIS is considered to have applied affirmatively for asylum. An individual who has submitted an Application for Asylum and for Withholding of Removal (Form I-589) in immigration proceedings before the Executive Office for Immigration Review (EOIR) is considered to have applied defensively for asylum. An asylum officer interviews the affirmative asylum applicant to determine whether the applicant has established eligibility for asylum pursuant to immigration laws and regulations. These interviews usually take between one and two hours, but in certain instances may exceed two hours. During affirmative interviews, at the discretion of HQASM, the interpreter shall

HSSCCG-09-A-00007

either directly interpret the words of the asylum officer and the applicant, or shall monitor the interpretation of an applicant-provided interpreter to ensure that the interpretation conveys the intended meaning of the statements made by all parties present.

7.2 Credible Fear Interviews

An individual who expresses a fear of returning to the country of removal or is a stowaway is subject to expedited removal and is eligible for a screening interview by an asylum officer to determine whether there is a significant possibility that the individual could establish eligibility for asylum or protection under Article 3 of the *Convention against Torture*. In most cases, this screening interview lasts approximately one hour. The asylum officer will arrange for the services of an interpreter during the interview process, if one is required. The interpreter shall interpret directly the words of any party present, if necessary. Interpreter services may also be used for an orientation process and to serve the applicant with a decision. The Contractor's interpreters are required to have the following forms at the time of the credible fear interview, orientation, or service of decision:

- Information About Credible Fear Interview (Form M-444)
- Waiver of the 48-Hour Period
- Request for Dissolution of Asylum Claim
- Record of Determination/Credible Fear Worksheet (Form I-870)
- Notice to Appear (Form I-862)
- Notice of Referral to Immigration Judge (Form I-863), and
- Record of Negative Credible Fear Finding and Request for Review by Immigration Judge (Form I-869).

7.3 Reasonable Fear Interviews

An individual who expresses a fear of returning to the country of removal and whose prior order of removal has been reinstated or who is subject to removal under section 238(b) of the INA as an aggravated felon, is eligible for an interview by an asylum officer to determine if the individual has a reasonable fear of persecution or torture. It is not unusual for interviews of this type to last three hours because all notes must be read back to the applicant at the end of the interview. The asylum officer will arrange for the services of an interpreter during the interview process, if one is required. The interpreter shall interpret directly the words of any party present, if necessary. Interpreter services also may be used for an orientation and to serve the applicant with a decision. The Contractor's interpreters are required to have the following forms at the time of the reasonable fear interview, orientation, or service of decision:

- Information about Reasonable Fear Interview (Form M-488)
- Waiver of the 48-Hour Period
- Withdrawal of Request for Reasonable Fear Determination
- Record of Determination/Reasonable Fear Worksheet (Form I-899)
- Notice of Referral to Immigration Judge (Form I-863), and
- Record of Negative Reasonable Fear Finding and Request for Review by Immigration Judge (Form I-898).

HSSCCG-09-A-00007

7.4 Safe Third Country Screening Interviews

Certain individuals arriving at a northern U.S. land border port of entry who express a fear of return to their country are eligible for a safe third country screening interview by an asylum officer to determine whether the individual must seek protection in Canada or receive a credible fear interview in the U.S. These safe third country screening interviews are anticipated to take less than one hour. The asylum officer will arrange for the services of an interpreter during the interview process, if one is required. The interpreter shall interpret directly the words of any party present, if necessary.

7.5 Refugee/Asylee Relative Petition (Form I-730) Interviews

A refugee or asylee may petition for derivative refugee or asylee status on behalf of his/her spouse and/or unmarried children under 21 years of age by submitting a Refugee/Asylee Relative Petition (Form I-730) to USCIS. An asylum officer interviews the beneficiary and may also interview the petitioner to verify the applicants' relationship and to consider the potential applicability of bars to asylum or inadmissibility grounds that preclude refugee resettlement. I-730 interviews generally take between thirty minutes and one hour. In certain circumstances, the interviews may exceed one hour. During I-730 interviews, the interpreter either shall interpret directly the words of any party present, or shall monitor the interpretation of an applicant-provided interpreter to ensure that the interpretation conveys the intended meaning of the statements made.

7.6 Other Protection Interviews

Asylum officers and other DHS officers may conduct other types of interviews pertaining to asylum applicants in various stages of the process. Examples of this include, but are not limited to, cases associated with fraud prevention efforts and adjudications of other types of protection interviews, such as those conducted in the Commonwealth of the Northern Mariana Islands (CNMI) pursuant to a memorandum of understanding between the United States and the CNMI. The Government anticipates that this type of contractual requirement will constitute less than one percent of all types of interviews conducted by HQASM each FY. The asylum officer or DHS officer will arrange for the services of an interpreter during the interview process, if one is required. The interpreter either shall interpret directly the words of any party present, or shall monitor the interpretation of an applicant-provided interpreter to assure that the interpretation conveys the intended meaning of the statements made.

7.7 Termination Interviews

Asylum officers and other DHS officers may conduct interviews related to the possible termination of asylum status previously granted to asylum applicants. The duration of termination interviews varies widely, and can last from one hour up to three hours. The Government anticipates that this type of contractual requirement will constitute a small percentage of all types of interviews conducted by HQASM each fiscal year. The asylum officer or DHS officer will arrange for the services of an interpreter during the interview process, if one is required. The interpreter either shall interpret directly the words of any party present, or shall monitor the interpretation of an interpreter provided by the asylee to assure that the interpretation conveys the intended meaning of the statements made.

8. CONTRACTOR PERSONNEL

8.1 PROGRAM MANAGER (PM) REQUIREMENT (KEY PERSONNEL)

The Contractor shall provide a program manager or other point of contact, who will be designated as Key Personnel and will communicate directly with the CO, the Contracting Officer's Technical Representative (COTR), and/or Government PM about matters related to the PWS.

8.2 FLUENCY REQUIREMENTS

The Contractor shall provide interpreters who are fluent in reading and speaking English and one or more other language. The Contractor's interpreters shall interpret statements made and/or monitor the interpretation of applicant-provided interpreters during any of the interviews discussed in Section 7 of this PWS. The Contractor's interpreters shall report any misrepresentation when monitoring interpretations conducted by an applicant-provided interpreter during any interview discussed in Section 7 of this PWS.

9. PLACE OF PERFORMANCE

The Contractor shall work off-site by providing telephonic interpreter services to asylum officers working in asylum offices, USCIS offices, DHS offices, or detention facilities. The interpreter also shall provide services in-person at one of these offices or facilities when necessary, as stated in Section 6.2. The Contractor shall provide interpreters who are located in the United States. In consideration of the confidentiality provision of this PWS, the Contractor shall not outsource any part or portions of the work to individuals outside of the United States. If foreign-owned, the Contractor will submit proof that it has firewalls and procedures in place to ensure the security of all sensitive information related to asylee petitions, and that in no cases will such information be released to its offshore offices.

10. TRAVEL

Because Contractor personnel will work off-site to provide telephonic interpreter services, interpreters will not need to travel in the normal course of their duties. Should circumstances arise that require Contractor personnel to travel, the Contractor shall consult with the CO and/or COTR for approval and travel coordination. HQASM shall reimburse the Contractor for all approved travel expenses, subject to the Federal Travel Regulations. A travel pool of \$2,500 per year will be established to fund such travel.

11. REPORTS

Contractors shall submit monthly reports regarding unaccommodated calls to the CO and COTR on the same date that monthly invoices are submitted.

11.1 Unaccommodated Calls Reports

The following information must be contained in the monthly unaccommodated calls reports (unaccommodated calls shall include all calls that are not accommodated within ten (10) minutes):

- total number of requests for interpreter services that were not accommodated
- total number of calls that were not originally accommodated that were subsequently accommodated
- the languages of the requests that were not accommodated

HSSCCG-09-A-00007

the asylum offices requesting the unaccommodated languages
the types of interviews that were not accommodated
the date and time of the unaccommodated requests
the reason(s) for the failure to accommodate the requests, and
the percentage of unaccommodated calls of the total interpretation requests made.

Alternatively, these reports may show that all requests for services were accommodated during the particular period covered by the reports.

12. DELIVERABLE SCHEDULE

The Contractor shall provide deliverables as specified below for review and acceptance. The Contractor shall provide the deliverables in electronic format to the extent possible. All documentation developed by the Contractor shall become the property of the Government and shall not contain proprietary markings.

HSSCCG-09-A-00007

13. HOURS OF OPERATION

The Contractor shall be available to provide telephonic interpreter services 7 days per week. The majority of the work will occur between the hours of 6:00 a.m. and 6:00 p.m. Monday through Friday in the local time zone where the interview takes place.

13.1 Legal Holidays and Administrative Leave

HQASM observes the following days as holidays¹:

New Year's Day	Labor Day
Martin Luther King's Birthday	Columbus Day
President's Day	Veteran's Day
Memorial Day	Thanksgiving Day
Independence Day	Christmas Day

Barring emergency circumstances, interpretation services shall not be required during these holidays. It should be noted that if a holiday falls on a Saturday, it is observed on Friday. If a holiday falls on a Sunday, it is observed on Monday. HQASM will provide as much advance notice to the Contractor as possible, taking into account the nature of the emergency circumstance, should interpretation services be required during a federal holiday.

Observance of such holidays or unscheduled office closures by Government personnel shall not be reason for the Contractor to request an additional period of performance, or to be entitled to compensation, except as explicitly set forth in this PWS.

14. POST AWARD CONFERENCE/MEETING

The Contractor shall meet with the Government Contracting Officer, COTR and Government PM within 10 days after award, as scheduled by the Contracting Officer. The purpose of the meeting will be to identify primary points of contact and to discuss scope, tasks, and understanding of technical approach. The Contractor shall prepare and submit a written report of the findings and understanding of the project no later than ten days after the date of the meeting.

15. PERFORMANCE REQUIREMENT SUMMARY (PRS)

The attached PRS (Attachment C) reflects the contractor tasks considered by the Government to be most important for the successful performance of this BPA. The PRS establishes the required standards of performance for each task. The Government shall establish a Quality Assurance Surveillance Plan (QASP), which shall set forth the procedures by which the Government will evaluate the Contractor's

¹ The Federal Government observes the Presidential Inauguration Day as a holiday for Federal Employees working in the District of Columbia.

HSSCCG-09-A-00007

performance. At no time shall the Contractor set its own thresholds, performance standards, or metrics. Any proposed changes to thresholds, performance standards, or metrics must be submitted to and approved by the CO.

The Government will regularly evaluate the results of the Contractor's performance. The Government will notify the Contractor's Program Manager in writing to identify any deficiencies and areas where the Contractor has not met the performance standards. The Contractor may request a meeting with the COTR whenever the Contractor's technical or administrative personnel believe such a meeting is necessary. The Contractor shall prepare and provide written minutes of any such meetings to the COTR for his or her signature. If the COTR does not concur with any portion of the minutes, notice of such non-concurrence shall be provided to the Contractor's PM and Contractor's representative within five (5) working days following receipt of the minutes. The Contractor shall acknowledge or resolve all disputes and resubmit the minutes to the COTR within five (5) working days of receipt of the non-concurrence. These meetings will be included in the official Government Contract file as Contractor performance records.

This is a performance-based contract. Performance will be measured according to the parameters set forth in the attached PRS. Failure by the Contractor to meet those performance measures will result in the invoice deductions set forth therein. The Government reserves the right to waive specific performance metrics adversely affected by changes made by the Government.

In order to allow the Contractor sufficient time to establish controls and procedures, the PRS standards will not be enforced for the first 90 days of performance.

16. SECURITY REQUIREMENTS

16.1 GENERAL

U.S. Citizenship & Immigration Services (USCIS) has determined that performance of this contract requires that the Contractor, subcontractor(s), vendor(s), etc. (herein known as Contractor), requires access to sensitive but unclassified information, and that the Contractor will adhere to the following:

16.2 SUITABILITY DETERMINATION

USCIS shall have and exercise full control over granting, denying, withholding or terminating access of unescorted Contractor employees to government facilities and/or access of Contractor employees to sensitive but unclassified information, based upon the results of a background investigation. USCIS may, as it deems appropriate, authorize and make a favorable entry on duty (EOD) decision based on preliminary security checks. The favorable EOD decision would allow the employees to commence work temporarily prior to the completion of the full investigation. The granting of a favorable EOD decision shall not be considered as assurance that a full employment suitability authorization will follow as a result thereof. The granting of a favorable EOD decision or a full employment suitability determination shall in no way prevent, preclude, or bar the withdrawal or termination of any such access by USCIS, at any time during the term of the contract. No employee of the Contractor shall be allowed

HSSCCG-09-A-00007

unescorted access to a USCIS facility without a favorable EOD decision or suitability determination by the Office of Security & Investigations (OSI).

16.3 BACKGROUND INVESTIGATIONS

Contract employees (to include applicants, temporaries, part-time and replacement employees) under the contract, needing access to sensitive but unclassified information, shall undergo a position sensitivity analysis based on the duties, outlined in the Position Designation Determination (PDD) for Contractor Personnel, each individual will perform on the contract. The results of the position sensitivity analysis shall identify the appropriate background investigation to be conducted. All background investigations will be processed through OSI. Prospective Contractor employees shall submit the following completed forms to OSI through the COTR no less than 30 days before the starting date of the contract or 30 days prior to entry on duty of any employees, whether a replacement, addition, subcontractor employee, or vendor:

1. Standard Form 85P, "Questionnaire for Public Trust Positions"
2. DHS Form 11000-6, "Conditional Access to Sensitive But Unclassified Information Non-Disclosure Agreement"
3. FD Form 258, "Fingerprint Card" (2 copies)
4. Form DHS-11000-9, "Disclosure and Authorization Pertaining to Consumer Reports Pursuant to the Fair Credit Reporting Act"
5. Position Designation Determination for Contract Personnel Form
6. Foreign National Relatives or Associates Statement

Required forms will be provided by USCIS at the time of award of the contract. Only complete packages will be accepted by OSI. Specific instructions on submission of packages will be provided upon award of the contract.

OSI will accept clearances granted by other federal agencies within the last 5 years and with the adequate background investigation for credible and reasonable fear interviews. Complete security packages are still required and must be submitted to OSI within 48 hours.

Be advised that unless an applicant requiring access to sensitive but unclassified information has resided in the US for three of the past five years, OSI may not be able to complete a satisfactory background investigation. In such cases, USCIS retains the right to deem an applicant as ineligible due to insufficient background information.

HSSCCG-09-A-00007

16.4 EMPLOYMENT ELIGIBILITY

The Contractor must agree that each employee working on this contract will have a Social Security Card issued and approved by the Social Security Administration. The Contractor shall be responsible to USCIS for acts and omissions of his own employees and for any Subcontractor(s) and their employees to include financial responsibility for all damage or injury to persons or property resulting from the acts or omissions of the contractor's employees.

Subject to existing law, regulations and/ or other provisions of this contract, illegal or undocumented aliens will not be employed by the Contractor, or with this contract. The Contractor will ensure that this provision is expressly incorporated into any and all Subcontracts or subordinate agreements issued in support of this contract.

16.5 CONTINUED ELIGIBILITY

If a prospective employee is found to be ineligible for access to USCIS facilities or information, the COTR will advise the Contractor that the employee shall not continue to work or to be assigned to work under the contract.

USCIS reserves the right and prerogative to deny and/ or restrict the facility and information access of any Contractor employee whose actions are in conflict with the standards of conduct, 5 CFR 2635 and 5 CFR 3801, or whom USCIS determines to present a risk of compromising sensitive but unclassified information to which he or she would have access under this contract.

The Contractor will report any adverse information coming to their attention concerning contract employees under the contract to USCIS OSI. The subsequent termination of employment of an employee does not obviate the requirement to submit this report. The report shall include the employees' name and social security number, along with the adverse information being reported.

OSI must be notified of all terminations/ resignations within five days of occurrence. The Contractor will return any expired USCIS issued identification cards and building passes, or those of terminated employees to the COTR. If an identification card or building pass is not available to be returned, a report must be submitted to the COTR, referencing the pass or card number, name of individual to whom issued, the last known location and disposition of the pass or card.

16.6 SECURITY MANAGEMENT

The Contractor shall appoint a senior official to act as the Corporate Security Officer. The individual will interface with OSI through the COTR on all security matters, to include physical, personnel, and protection of all Government information and data accessed by the Contractor.

The COTR and OSI shall have the right to inspect the procedures, methods, and facilities utilized by the Contractor in complying with the security requirements under this contract. Should the COTR determine that the Contractor is not complying with the security requirements of this contract, the

I will not, in any way, disclose, divulge, discuss, or otherwise make known to third parties the content or existence of conversations, documents or other information that I may acquire during interpretation and/or translation assignments pertaining to an application for asylum or to a credible fear or reasonable fear interview or review, unless (1) expressly required by order of a court of competent jurisdiction, (2) expressly authorized or requested by a responsible official of U.S. Citizenship and Immigration Services, or (3) expressly authorized or requested by the alien applicant or interviewee, or his or her authorized representative, in advance in writing;
